

Hi Everyone,

The Board of Bayshore Companion Dog Club has been working very hard on many items during this difficult time in our world. We have carefully reviewed the latest updates for the Corona virus and have made a unanimous decision to close down all operations until April 1st. This means No one is allowed in the Eatontown location for any reason. There will be no classes starting today, no private lessons and no open training of any kind.

Renee and Rosemary have started the task of contacting all current students, members and non-members with this information. Anyone currently enrolled in a class will be offered a voucher for their remaining time. This will enable them to use this voucher towards any upcoming class session once classes resume, with an expiration of Dec 31st, 2020. That will give everyone enough time to use it without worrying. We are not too proud to ask, if you are a member, would you please consider not taking the voucher for the betterment of the club? It would be greatly appreciated! But it is your choice.

If any member cannot get out on their own to the stores or pharmacy and need assistance please contact me and I will make sure we can arrange to help each other get what you need.

WE want everyone to be safe! We will continue to work on other club business at this time.
Thank you
Denise and the Board
