Masters Series Tournament Rules

The aim of the Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

General Rules Open to all UKI Level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first. If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6 minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a large enough gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. The dog must run in the height that he will compete at in the Masters Final. The same dog and handler must run both rounds. Any extraordinary circumstances to be ruled by UKI.

Scoring Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor.

Final Qualification –Final Qualification –2 ways to qualify for the Final to be held at the UKI US Open: A. Individual Winners (per height) of the Masters Agility or Masters Jumping class (even if an E is earned in the other round). B. 1st & 2nd Overall (per height) (neither round may have an elimination). Only the handler who qualifies the dog through a Masters Heat, may run the dog in the Final. A Last Chance Masters Heat will be available at the UKI US Open if you do not qualify at a local Masters Heat

Prizes: Of the Prize entry fee; \$5.00 is placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide". Prize fund is for overall winners only. **In the event there is not a monetary winner within a height, the prize money will be sent to UKI to be added to the Masters Final.** \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund.

Location specific health data

The site is the Bayshore Companion Dog Club Building; here's their COVID Guidelines and Practices

We are taking everyone's health and safety seriously. We expect everyone to understand that the measurements put in place are to keep everyone healthy and to ensure future events here.

Please be aware that Competitors, Volunteers, and Judges will be required to adhere to any local/state/federal and or CDC guidelines concerning COVID-19 that may be in place at the time of this trial. Bayshore will be implementing trial site specific guidelines as well. These include and are not limited to:

Gloves: Gloves are usually worn when equipment is handled. Gloves are an individual choice, the wearer must be very aware of not touching anything else at that time. If, as an exhibitor you prefer to wear gloves, bring enough for each time you need them, i.e. every time you work in the ring. BCDC will provide gloves for those who don't have their own.

Masks: New policy (November 2020) requires Masks to be work anywhere on the grounds and most certainly including while running your dog in the ring. If you can't wear a mask when running your dog please do not enter this event.

Food: Workers and Competitors are strongly urged to bring their own provisions. Hospitality may not provide beverages and snacks at this time more than bottled water.

Bathroom and Hand Washing: There will be hand sanitizer outside the restrooms to use before entering. Hand washing is still most effective when done for at least 20 seconds, this decreases the spread of germs. Common use areas will be regularly disinfected.

Crating and Parking: Crating will be in building A only. Competitors may also choose to work from their vehicles. The asphalt or gravel parking spaces will be marked as to allow ample spacing between vehicles. There is no parking on the grass. Though this trial is in November please be aware of extreme temperatures and plan accordingly, i.e. sunshades, fans, cooling towels. For the consideration of the other competitors don't run your car when not driving to prevent exhaust from entering another car. If outdoors, it is a huge facility where it will be easy to socially distance

Check-In: with the trial secretary in Building B, through the door with a handle along the front.

Volunteers: Will be given specific assignments to keep throughout the day to limit contact. They will wear masks when working and be provided sanitized equipment also to keep throughout the day. The timer and scribe will be offered gloves while working. Gate stewards will remain a safe distance from competitors and judges. LOOK FOR MARKED ENTRANCES / EXITS – they will be marked and one-way only.

Ribbons: A single person will be responsible to distribute ribbons from a designated space on the grounds.

Event Officials Practices: The Trial Secretary will wear gloves when handling paperwork. If a move up is needed, text or email the Trial Secretary prior to the opening of the trial. A single person will act as helper to the Secretary to minimize handling of paperwork.
