Masters Series Tournament Rules

The aim of the Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

General Rules Open to all UKI Level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first (Amendments to 2nd Edition Rule Book). If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6 minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a large enough gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. Handlers must run for competition in both rounds to receive a combined score and be eligible for the Final, awards & prizes. The dog must run in the height that he will compete at in the Master's Final. The same dog and handler must run both rounds. Any extraordinary circumstances to be ruled by UKI.

Scoring Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor.

Final Qualification –2 ways to Qualify: **A.** Individual Winners of the Masters Agility & Jumping class will qualify for the Final (even if an E is earned in the other round). **B.** 1st & 2nd Overall will qualify for the Final (**neither round may have an elimination**). Only the handler who qualifies the dog through a Master's Heat may run the dog in the Final. If you do not qualify at a local Masters Heat, there will be a last chance heat at the UKI US Open. Final to be held at the USA Open.

Prizes Entry fee = \$34.00 \$5.00 placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide." \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund.
