

# AKC Virtual Rally Events

AKC now allows video submission of your Novice and Intermediate Rally legs. We will be providing AKC approved courses as well as someone to video your runs for you. You should be familiar with all AKC rally rules and how to perform the signs. Some assistance will be available, but we will not be teaching at this event. You are responsible for sending your entries into AKC. Info on the program can be found at [www.akc.org/sports/rally/rally-virtual-entry-pilot/rally-virtual-courses/](http://www.akc.org/sports/rally/rally-virtual-entry-pilot/rally-virtual-courses/)

Our preference is to video using your phone, but we can video with ours and send it to you after the event is over.

We will have two courses set up at one time (they will run in the order listed below). We will only be allowing one team in the rings at a time. We will be rotating courses so individuals may earn their AKC titles during these events. Time schedule will be sent the Thursday before the event so we can schedule based on entries received and level and courses entered. We will run novice followed by intermediate.

We will be limiting the amount of time per course to 10 minutes per individual to be fair to all individuals and to help keep dogs from burning out.

All of our COVID restrictions will apply and a mask must be worn at all times while indoors.

**Where: Bayshore Companion Dog Club, 2962 Shafto Road, Tinton Falls, NJ 07753**
